

# Pimachiowin Aki World Heritage Site Project

## Cultural Landscape Indicators

This map shows place names, travel routes, harvesting and camping sites identified through mapping projects in the Pimachiowin Aki communities. These “indicators” of the cultural landscape help illustrate the intimate detail with which the Anishinaabeg know and use the land.

### Legend

- |               |  |
|---------------|--|
| Travel Routes | Trapping   |
| Portages      | Fishing  |
| Cabin         | Hunted Birds   |
| Camp          | Gathering  |
| Place Names   | Wild Rice  |
| Hunting       | Observed Animal Tracks<br>(Bear, Wolf, Moose, Caribou) |

Note: Archaeological sites and special cultural sites have been omitted from the map as a means of protecting the sites.

- |                               |              |
|-------------------------------|--------------|
| Pimachiowin Aki Planning Area | Watercourses |
| Provincial Boundary           | Waterbodies  |
